### **ANNUAL DUES**

If you have not yet paid your 2018 dues of \$25, please send them to the Secretary **at the correspondence address** at your earliest convenience. As in all Masonic Bodies, dues for the ensuing Masonic Year - 2019 - are due at the Annual (December) meeting. Dues Notices are sent out annually in the New Year.

*A motion will be made at the June meeting to suspend those members who have not been current in their dues for two years as of the December meeting. As we are in all cases a secondary Lodge membership, members suspended will effectively be dropped from the rolls of the Pennsylvania Lodge of Research as the December meeting. Please prevent this from happening.*

*If you have been a member in the past and your membership has lapsed, you may reinstate your membership by sending \$50 (the dues for the current year and the year in which you were suspended) to the Secretary at the Correspondence Address.*

### **A MESSAGE FROM THE WORSHIPFUL MASTER**

Brethren of the Pennsylvania Lodge of Research:

Spending time gazing on the Atlantic Ocean from the beach at Ocean City, New Jersey, and travelling across the beautiful countryside of Ireland recently, have profoundly affected my view on life. Sometimes it seems that all some of us do is see how many organizations we can join, how many offices we can hold, and how many events we can attend. I have been caught up with all of that feverish activity for many years. However, the older I become, I think it's time to sit along the shore, gaze across the ocean, and take stock of life. All these many pursuits in which we find ourselves engaged can become far too distracting to our true purpose in life. Let us not become so involved in activities that we neglect our family or our church. Let us not substitute driving to meetings in place of being with our loved ones. Sometimes we allow our schedule to run us, and not the other way around.

We will be meeting in Chambersburg's George Washington Lodge No. 143 on December 22, 2018, at 10:00 AM. We will have one speaker, John Wagner, speaking about a previous Right Worshipful Grand Master. That presentation will be followed by the installation of officers for 2019. Please plan to attend our December meeting and congratulate our new officers and thank those who served in 2018. Hopefully this late December meeting will not interfere with other important family gatherings. I hope all of you have a blessed Christmas and a joyful time with your family and friends.

It has been a pleasure being the Worshipful Master of the Pennsylvania Lodge of Research during 2018. My unforgettable moment was welcoming our Right Worshipful Grand Master, Bro. S. Eugene Herritt and over 35 District Deputies from across the Commonwealth of Pennsylvania to our June meeting in the Carlisle Masonic Lodge. Moments such as that are worth more than added titles and honors. What a great Fraternity to which we are so privileged to belong!

Have a great Christmas and New Year's season!

Sincerely and Fraternaly,

*Drew R. Reed, WM*
